

Commodity Sourcing Agent

A growing manufacturing company in the Syracuse area has an immediate need for a Commodity Sourcing Agent. This results driven individual should exhibit strong analytical, problem solving, and communication skills, with demonstrated success in procuring parts, equipment and services to support on time delivery and cost reduction goals in a fast paced, lean environment.

Duties include:

- Procuring parts, equipment, and services, to support the manufacturing process
- Entering purchase orders and tracking rejected materials
- Processing MDR's and RMA's for rejected materials
- Securing quotes from qualified vendors to secure the most favorable pricing, while driving cost savings by negotiating price reductions according to specified targets
- Monitoring purchasing process to ensure on-time delivery and uninterrupted flow of production schedule
- Implementing corporate supplier agreement's and procurement initiatives

Requirements:

- Bachelor's degree in a related field
- Experience with MRP
- Strong cost control experience

For immediate consideration please submit your resume to accounting@cpsprofessionals.com.

Professionals Incorporated is an EEO.
