Message from the President

December 13th was a great night for all that attended. Everyone enjoyed the fun, interaction and the great gifts that Trivia Night always provides.

The board and myself would like to welcome back all our members after a month off to join us in our monthly general meetings, which are held the 2nd Wednesday of each month. Kindly check our website for any changes and updated information. Our website address is **napmsyr.org**.

Our board members meet once a month which is usually two weeks after the general meeting.

The NAPM OF GREATER SYRACUSE Directory has been distributed thru the e-mail last week. Hopefully all our members received the new directory and find it helpful. You may contact any of the board members with questions, suggestions or concerns.

Hopefully the new year will bring more of our members to our General Dinner meetings.

On behalf of the board members and myself I wish you all a very successful year.
