Message from the President

Sherri Pappas

May 9th is our Past Presidents' Night where NAPM of Greater Syracuse honors all of our Past Presidents. We will have a program in place acknowledging the past presidents, four scholarship winners, the Quinn Award to an outstanding board member, passing of the gavel and the swearing in of the new Board of Directors. This is a very special night featuring a sit down dinner, hors d'oeuvres, and entertainment. This year we are allowing our members to bring a guest at no cost. We, the board, would love to see our members at this very important dinner meeting. Hope all of you are able to spend this evening with us.

In September we had a wonderful plant tour at Welch Allyn Inc. in Skaneateles Falls. We had great input from the members that attended how much they enjoyed this tour. Following the plant tour our dinner meeting was held at the well-known Sherwood Inn in Skaneateles. In the following months we had wonderful workshops and great speakers at our dinner meetings which are held the second Wednesday of each month excluding January. In December we have Trivia night which is prepared by Terry McLaughlin and Karin Dromgoole. The both buy beautiful gifts to be auctioned. This is a real fun night.

The board members work very diligently to make the year a success. Our Pro D persons Dan Hanover and Doug Isbell planned all the workshop and guest speakers for the dinner meetings. Our Clambake person Maria Falcon spends a great deal of her time preparing our fabulous Clambake which is held the last Thursday in July. This year the Clambake at Hinerwadles will be Thursday July 26th. Last year we sold about 2500 tickets. We have Annette Morris our receptionist and Certification person who plans the dinner meetings and keeps our members current on their C.P.M. requirements. Sue Dittly, who spends a great deal of her time promoting our membership. Our treasurer David Duprey who spends a great deal of his time checking our finances to make sure we handle the money the best way for our membership. These are just a few people on the board that give their free time to keep this organization going.

So now we are ending our final meeting for our members on May 9th, Past Presidents' Night. Please join us.

CPSM - Update:

ISM posted the CPSM Exam and Bridging Exam specifications on their website last December. They plan to release a CPSM Study Guide this fall. More study materials will be available in early 2008. A supplemental reading list will be released in the ISM June Educational Resource Catalog at this year's Annual Conference.

In the meantime, keep working towards your C.P.M.'s!!
