Selflock Screw April Tour

Our April Membership meeting took us on a tour of Selflock Screw Products Company Inc. located in East Syracuse.

The company was started in 1920 and produced patented vibration resistant thread form fasteners. They now offer more than just selflocking screws to the railroad industry. The company and their capabilities have grown over the last 90 years.

Our plant tour and dinner presentation were conducted by Mr. Daniel Kuhns, VP of Sales and Mr. David Freund, President of Selflock.

If you missed the tour and dinner presentation, check out their webpage at www.selflockscrew.com.

Letter from the President

May 2010

Hello Everyone,

This is my last letter as President of NAPM Syracuse. My term is ending soon as the new slate of officers will be sworn into office at our May 12 dinner meeting. This meeting will be held at Casa Di Copani's in East Syracuse. We will be celebrating our past presidents, awarding our 4 scholarship awards, presenting the Quinn award and recognizing the contributions of our many volunteers. Please mark your calendars and plan to attend. As has been the case the last couple of years, the BOD has voted to allow members to bring a guest at no charge. This is just another benefit of your membership. Please accept our invitation to come and enjoy the evening. Look elsewhere in this newsletter for more information regarding the event. I look forward to seeing you there.

In review of the past year, I feel the board and committee chairs did an EXCELLENT job in providing opportunities to you, our membership. To recap some of the accomplishments and opportunities we offered:

We changed our meeting location which seemed to be well received

We had THREE plant tours:

Roberts Office Furniture (September)

Pall Cortland (November)

Selflok Screw Products (April)

We posted several career opportunities

Six of our volunteers received awards and were recognized by the NY/NJ Forum in November

We had several workshop and seminar opportunities

A few members secured their CSPM certification

Trivia night !!! fun fun fun

And yet to come- the annual CLAMBAKE !

I would like to take this opportunity to thank each and every BOD member and committee chairperson for the hard work and dedication they provide. My success as your president is directly attributed to their efforts. THANK YOU ALL. And thank you for allowing me to serve as your president. I personally feel I have learned a lot, grown professionally and made some very good friends. My goal is to remain active with the board and provide my support as an advisor.

As mentioned above we have our annual clambake set for July 29. As usual it will be held at Hinderwadel's in North Syracuse. Check elsewhere in this newsletter for details or go to our website (napmsyr.org) and print this year's flyer. Spread the word. Invite your friends, neighbors, coworkers and business associates. This is our annual fundraiser event that supports a significant portion of the opportunities we are able to provide to you throughout the year. It is an excellent opportunity to mingle with friends and enjoy one of the best known clambakes in the area. Your support is appreciated.

Have a wonderful and safe summer.

Sincerely,
David Gross, C.P.M.
President – NAPM Syracuse

Membership Dues

During the month of May invoices for membership dues for 2010-2011 will be mailed out. As noted in our previous newsletter, it was decided at our March Board Meeting that we will be increasing our membership dues by \$10. We have not had an increase in several years and need to offset the \$10 price increase we absorbed from ISM last year and other cost increases. Regular membership renewal dues will be \$180 next year but still includes all workshops, 8 dinner meetings with meals, plant tours, ISM membership, ISM discounts, Inside Supply Management subscription and great networking opportunities. Note: If you joined or renewed your membership after January 1st, you will be invoiced in May for a half year at \$90.

Reminders:

if you are a regular paid member this year and become unemployed, you may be entitled to free membership for up to 1 year. Please notify Dawn Metzler, dawn@aclsmail.com if you have a status change.

Information updates: If you have changed addresses at work or home, please notify Dawn at dawn@aclsmail.com to make sure you receive your meeting notice emails and local mailings. You also need to update your information on the ISM website to receive their emails and your subscription to the magazine, Inside Supply Management. To do this you need to go to the ISM website www.ism.ws and log in. You need to know your ISM account number which is your username and your password is your last name. Then go to My Account and select Member Information Update where you can make corrections. If you need your account number or assistance, please contact Dawn at dawn@aclsmail.com or Ann Casey at ACasey@scsd.us.
