

A Message from the President

Our new affiliate year begins June 1 and the first event of the year is our traditional clambake at Hinerwadel's. This year, the event returns to the fourth Thursday of July (July 28). The clambake is our biggest source of revenue. It is important for the clambake to be a success so it has the funds necessary to provide the workshops, seminar and dinner meetings throughout the year.

Chis Sheldon, C.P.M.

We are always looking for volunteers to help with the clambake. We need people to help receive people at the gate, as well as 50/50 ticket sellers. If you are interested in helping out, please contact Maria Falcone, our Clambake Committee chair.

Upon completion of the clambake, our next event will be a plant tour in September. I hope to see you at the clambake. Have a fun summer, and I'll see you in the Fall.

Christopher Sheldon, C.P.M.
