-- look for details in the  
October newsletter --

### *Letter from the President*

*-- David Gross*

Hello and Good Day to All!

Here we are, ready to embark on another new business year. We have a very active group of individuals that you have elected as board of directors and committee members and we look forward to serving your needs in the coming year. Please let us know if there are things you want to see or things you see that could be done better. This is OUR organization and together we can make great things happen. Please review the [napmsyr.org](http://napmsyr.org) website for affiliate information and National ISM news. Also, take time to look over the calendar of events for 2007-2008 (copy included in this newsletter).

The first event of the year is September 19. This is a first time offered MEMBERS clambake. This event is FREE to NAPM Greater Syracuse Inc members in good standing (dues paid). Members are also able to bring guests at a bargain price of \$35 per person. In order to attend you should have already registered with Don Lawless. We hope to see you there to enjoy good food and good friends. This event is being offered as a result of the great success of our last NAPM Clambake in July where we had a record year!!!

Second on the calendar is our ever-popular plant tour meeting. This year's tour will be on October 10 at the Anheuser-Bush Brewery Plant. Save the date and watch for more details to follow.

Also as part of the year you will note workshop and seminar opportunities. We are looking into offering our members a series of C.P.M. review classes as well as participating in an ISM national pilot program for the new CPSM certification program. Stay tuned for more details.

All in all it looks to be a busy year. Come out and get involved, participate, network, learn, grow and enhance your opportunities. We look forward to seeing you.

# NAPM-SYR
