Presidents Message

The leaves are turning colors, kids are back in school, pumpkins are starting to be sold and people are starting to close their pools. What does this mean to us?

It means we will be starting our regular monthly meetings beginning in a few weeks with a tour of "Turning Stone" on 9/10. Our NAPM Syracuse team has our programs pretty much in place and it looks like an exciting year of events, hopefully each of you will enjoy this year's schedule.

I look forward to helping make the 2008 - 2009 schedule a success, please help us by attending as many meetings and business tours as you can.

NAPM Greater Syracuse Loses a Past Leader / President

William R. Gilbert CPM, 86 passed away August 28, he was a retired executive from Hoffman Air & Filtration Company. Bill had a BA from London University, a BSC from London School of Economics and a Master's of Business Administration from Syracuse, he was also a CPM. Bill served in the British 8th Army, 4th Indian Division, and saw action in North Africa, Italy and Greece during World War II.

Bill was President of NAPM Greater Syracuse Inc. from 1977 - 78 and always made a point of attending our "Past President's" night. While I never served during Bill's tenure, I always looked forward to talking with him at our "Past President's" night and enjoyed his British accent; he was a great man and will be dearly missed.

J. Terry McLaughlin
President

To all members, please, take the time to review the Calendar of Events that has been put together for the up coming 2008 - 2009 Meetings and Tours.

As you'll see the Events we have planned offer a wide variety of things to do from a local plant tour, to a Free Members Clambake, to a joint meeting with the local APICS group and informative speakers.

Plant/Facility Tours

- 1) The first is next week on September 10th at The Turning Stone Casino and Resort, tour from 4:30-5:30 pm with dinner & speaker to follow.
- 2) The second is April 8th at Ultra Dairy put on by Byrne Dairy, tour from 4:00-5:00 pm with dinner and speaker to follow.

Both of these tours offer us an opportunity to see how two Central New companies/businesses run their supply chain.

Clambake/Trivia & Auction Night

The Members Clambake and Trivia & Auction night offers a good time to get to know and have fun with other NAPM members. The speakers scheduled will give us an insight into Energy Cost Control and the Department of Motor Vehicle. Any suggestions on speakers or activities is greatly appreciated and hope to see you at the next event.

Web Seminars

ISM has been offering Web Seminars to it's members and I recently took part in a ISM Web Seminar on "Expert Supply Strategies - Thriving in a Downturn Economy" on 7/23. It was easy to sign up for, convenient to take (at your desk on your computer), had informative speakers and can get material on the subject covered on the web site. This is a great Continuing Education opportunity, earn Continuing Education Credits, and it's offered free to all ISM members. So I strongly encourage you to take advantage of this program, at least, take time to investigate what is being offered.

Program Development Chair;
Daniel J. Hanover, C.P.M.

NAPM CLAMBAKE 50/50 WINNERS

The 50/50 sales once again were a great success, and I thank all those who gave there time to sell tickets and help with this event; without you it doesn't work.

I also thank those who help by purchasing tickets.

We gave out twelve \$ 100 prizes to the following people: Bob Pollock, Steve Mills, Gene DelFiacco, Mary Roberts, Carmen Russo, Chuck Cook, Dave Francisco, Evelyn Mangus, Derek Doback, Chad Rerfedty, John Honan and Debbie Ptazek.

We also gave one \$ 50 prize to Joe Sereluca. In addition we had one unclaimed \$ 100 prize (three week to claim deadline is over) and the \$ 100 will be put in with the other \$ 1621., for the "Scholarship Fund"; for a total of \$ 1,721.

Once again "thank all of you".

J. Terry McLaughlin
50/50 Chair & President NAPM Greater Syracuse Inc.
